

BALLOON (PENDANT)

CODE:
LL-BAL-AL

PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The Balloon pendant lamp by LOLA LIGHTING features a slightly rounded alabaster shade, reminiscent of hot-air balloons over Cappadocia. Crafted from two pieces of alabaster from the same block, it emits a soft ambient glow from the top and a more pronounced spotlight through the opening. The height-adjustable steel wires allow for individual or grouped installations, simulating balloons at varying heights in the sky.

MATERIAL:

Alabaster (White Gelsa)

VOLTAGE:

110-277V

LIGHTING:

E26

E26
