NOTES

GENERAL INFORMATION:

Crafted from premium materials, Loop ensures constant radiance, whether it's on or off. Its circular light rings emit a harmonious warm white LED glow both upwards and downwards, evenly dispersing light throughout the room via the opal-colored diffuser. Powered by cutting-edge LED technology, the Loop is exceptionally energy-efficient. Plus, its decentralized canopy offers design flexibility, allowing you to arrange the rings as you wish, either alongside or within each other.
