GENERAL INFORMATION:

The Replica Tube Floor by Lola Lighting is a bold and contemporary floor lamp that combines minimalist design with striking presence. Featuring a cylindrical tube silhouette crafted from premium metal, this floor fixture delivers a clean, sculptural aesthetic ideal for modern interiors. Designed with integrated LED technology, it provides energy-efficient illumination (typically 110–277V) and is compatible with various dimming options including 0–10V, Casambi, Lutron, Dali, or non-dimmable versions. The Replica Tube Floor is available in a range of refined finishes to complement any design palette, offering both functional lighting and a strong visual statement in living rooms, lounges, lobbies, or hospitality environments.
