GENERAL INFORMATION:

The Mila Suspension Lamp by LOLA LIGHTING draws inspiration from Art Deco design, reinterpreted with a contemporary flair. Its distinctive feature is the adjustable electrical cable, which not only serves a functional purpose but also contributes to the lamp's aesthetic appeal by allowing customization of its graphic lines and formal appearance. The structure is crafted from carbon black painted metal, complemented by blush pink glass globes that emit a warm, inviting glow. This combination of materials and design elements makes the Mila Suspension Lamp a sophisticated addition to various interior settings.
