GENERAL INFORMATION:

The ARCH floor lamp by Lola Lighting is a sleek, contemporary lighting fixture designed to complement modern interiors with its minimalist metal frame and elegant borosilicate glass diffusers. Available in various configurations, it supports up to 28W G9 lamps and operates on 110–120V, making it both stylish and functional. With a range of diffuser finishes—such as white gloss, amber gloss, and fume glass—and metal finish options like gunmetal grey and glossy brass, the ARCH lamp offers versatile customization to suit different design aesthetics. Ideal for both residential and commercial spaces, this lamp brings refined sophistication and ambient lighting to any room.
