GENERAL INFORMATION:

ZYNE is a sculptural lighting fixture where rhythm and refinement converge. Designed with a linear composition of delicately spaced orbs, ZYNE strikes a perfect balance between contemporary minimalism and organic warmth. Each sphere, arranged in harmonious sequence, emits a soft, ambient glow—ideal for dining spaces, kitchen islands, or artistic settings. Suspended from dual vertical rods, its horizontal profile offers a striking architectural presence while remaining elegantly understated. Crafted to elevate both residential and hospitality interiors, ZYNE is a bold conversation piece with timeless versatility.
