NOTES

GENERAL INFORMATION:

The Nuvem Suspension is a bold and artistic lighting system designed to transform ceilings into dynamic architectural landscapes. Composed of modular elements in Opalflex® and Lentiflex®, it evokes the softness of drifting clouds while offering a customizable, sculptural presence. Its GU10 lighting compatibility and 110–120V operation make it suitable for residential and commercial spaces seeking a statement piece. Available in Velvet and White finishes, Nuvem combines ambient lighting with dramatic visual impact, inviting designers to create fluid, ceiling-spanning installations with limitless creativity.
