

BABILONIA (SUSPENDED)

PROJECT
SPEC TYPE
NOTES

GENERAL INFORMATION:

The Babilonia Suspension Lamp by LOLA LIGHTING is a contemporary lighting fixture that draws inspiration from ancient architectural forms. Its design features a solid glass diffuser with vertical striations, enhancing both verticality and order. An internal diffuser ensures uniform light distribution, utilizing an integrated 13W LED module that emits 1320 lumens at a warm 3000K color temperature. The lamp's structure is finished in shiny black galvanic nickel, complemented by bronze-rimmed Murano glass elements. Measuring approximately 6.3 inches (16 cm) in diameter and 26.4 inches (67 cm) in height, the Babilonia Suspension Lamp is a testament to Italian craftsmanship, seamlessly blending traditional artistry with modern design principles.

MATERIAL:

Murano glass

VOLTAGE:

110-277V

LIGHTING:

LED

LED

IP RATING:
