

MOONLIGHT COLLECTION (PENDANT)

BEAM DOWN

PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

Moonlight is a collection of lamps with strong graphics. Small preshaped metal sheets applied with magnets to the structure enable each lamp to be personally customized thus offering unique pieces. The Moonlight lamps are available in two diameters: 40 cm and 30 cm. Two types of finish are offered: matt or brass satin. Thanks to an intelligent production system they are very versatile and can be used either as ceiling, wall or hanging lamps.
