GENERAL INFORMATION:

MEDUSA (SUSPENSION) from Lola Lighting is a highly decorative chandelier-style pendant light. This fixture is crafted from a unique combination of Opalflex®, Cristalflex® materials and operates on a 110-277V power supply. It utilizes an E26 bulb, with a light source specified as E26 / 1 x max. 12W. The fixture has an IP20 rating, making it suitable for indoor use in dry environments. It is available in a "Black" finish and has a diameter of 32.68" and a height of 24.02". The suspension cable can be adjusted to a maximum length of 55.12", providing flexibility for installation. With its intricate and dramatic design, this product serves as a striking centerpiece, adding a touch of bold, artistic flair to any room.
