GENERAL INFORMATION:

The Bon Bon Wall Collection from Lola Lighting adapts the airy, sculptural charm of their pendant line into refined wall-mounted fixtures. Each piece features a cluster of milky-white blown-glass spheres mounted on elegant brass hardware, evoking a playful yet minimalist aesthetic. While specs vary slightly by version, typical configurations use a 3W LED delivering around 240lm or up to 6W with 480lm output—warm 3000K light — dimmable via 0-10V.
