

STILO

(WALL RECESSED)

(BEAM LEFT & RIGHT)

PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The STILO by Lola Lighting is an elegant wall-recessed lighting fixture that harmoniously blends geometric design with ambient illumination. It features a cylindrical element made of BETALY® positioned in the foreground, housing an indirect light source. This element contrasts with a sinuous reflective surface that diffuses light back into the room, creating a dynamic interplay of light and shadow. The central BETALY® component is available in various colors, allowing customization to suit different interior aesthetics.

Materials: CRISTALY® and BETALY®

Available in 2700K, 3000K, and 4000K, all with CRI90

MATERIAL:

CRISTALY® Paintable + BETALY®
