NOTES

GENERAL INFORMATION:

The UNICA Wall Lamp is a sleek and elegant fixture designed to elevate any interior with its refined materials and soft illumination. Constructed from borosilicate glass and metal, it showcases a bronzed elliptical base supporting a transparent spherical shade. The lamp is finished in glossy black chrome, offering a luxurious touch to contemporary or classic spaces. It features an E12 socket (max. 25W) and supports 110–277V operation. Measuring 10.24" in height, 6.30" in width, and 7.87" in depth, this IP20-rated wall light is ideal for ambient or accent lighting in indoor environments.
