E26

IP20

GENERAL INFORMATION:

The Paramount Floor Lamp by Lola Lighting is a bold and modern statement piece that redefines decorative lighting with its minimal use of materials and striking design. Featuring a sleek painted metal or galvanic-treated body, it stands 70.87 inches tall with a compact 14.17-inch diameter, making it both elegant and space-efficient. Designed for versatility, it uses an E26 light source (2 x max 8W) and operates on 110–277V with an IP20 rating and Class II appliance certification. Available in two sophisticated finish options—Burnished Brass with Matte Black (VP2005) or Matte Black with Burnished Brass (VP2006)—the Paramount lamp blends artistic vision with practical illumination, perfect for contemporary interiors.
