

KOSO (PENDANT)

PROJECT
SPEC TYPE
NOTES

GENERAL INFORMATION:

Intricate design and natural material compose the Koso Pendant by Lola Lighting. The fixture lends a highly contemporary feel to elevate a space's décor while casting a warm layer of light. This pendant is inspired by traditional bamboo works, with bamboo forming a delicately ornate diamond motif around its central lamping. Koso's unique design allows its light to glisten elegantly through the shade's openings.
