

ALBORA (PENDANT)

WHAT LOLA WANTS, LOLA GETS

PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The ALBORA pendant light by Lola Lighting is a sophisticated fixture that merges classic lantern-inspired design with modern elegance through natural alabaster. Its cylindrical alabaster core emits a warm, ambient glow, framed by a refined metal structure available in multiple finishes. Ideal for upscale interiors, ALBORA is powered by a single G9 bulb (max. 18W, not included), supports 110–120V, and is rated IP20 with Class I classification, making it suitable for dry indoor spaces. It comes in two size options: Ø 10.63" x H 24.80" (27 × 63 cm) and Ø 13.78" x H 28.35" (35 × 72 cm), making it versatile for entryways, hospitality environments, or dining areas where both architectural presence and soft illumination are desired.
