

CUSPIDE (SUSPENDED)

PROJECT
SPEC TYPE
NOTES

GENERAL INFORMATION:

The Cuspide Suspended Lamp by LOLA LIGHTING is a sophisticated lighting fixture that harmoniously blends retro-inspired shapes with contemporary design elements. It features a hand-blown glass diffuser adorned with vertical patterns, creating a silky, textile-like appearance. The diffuser is complemented by a high-quality metal structure, available in finishes such as burnished metal, providing a striking contrast to the delicate glass. The pendant lamp measures approximately 18.5 inches in diameter and 25.6 inches in height. Designed to accommodate LED light sources, it offers efficient and ambient illumination, making it an ideal choice for enhancing the elegance of various interior settings.
