GENERAL INFORMATION:

The PAPILLON Pendant by Lola Lighting is a refined suspension lamp that merges artistic design with high-quality craftsmanship. Inspired by the delicate wings of a butterfly, the fixture features gracefully curved metal elements that form a light, airy silhouette. These elements are expertly laser-cut and hand-finished, creating a dynamic structure that diffuses light with elegance and precision. The lamp is suspended from a central ceiling mount using adjustable steel cables, allowing for flexible height configuration. PAPILLON is available in a range of finishes including Matt Black, Glossy Brass, making it highly adaptable to various interior styles. Designed for both residential and commercial use, the fixture supports G9 light sources, depending on the model.
