GENERAL INFORMATION:

The PARAMOUNT table lamp from Lola Lighting is a bold and contemporary lighting piece that forms part of the Paramount collection, characterized by its dynamic structure and artistic restraint. Designed with a painted or galvanically treated metal frame, this lamp features two E26 sockets for bulbs up to 8W and operates on 110-277V. With dimensions of 9.84" in diameter and 27.17" in height, it balances sculptural form and functional elegance, making it ideal for modern interiors. Available in either burnished brass or matte black finishes, the LL-PRMTT-MT offers a sleek, minimalist aesthetic that complements a wide range of decorative settings.
