GENERAL INFORMATION:

Clizia by Lola Lighting, is a versatile lighting collection encompassing table, pendant, ceiling, and wall fixtures. Each piece features a composition of interlocking squares crafted from materials—Opalflex®, Lentiflex®, or Cristalflex®—which create a harmonious balance of reflections and transparencies, reminiscent of natural forms like clouds or treetops filtering sunlight. The pendant versions offer similar dimensions with adjustable suspension cables. Clizia is offered in multiple finishes, including White, Fumé, Orange, and Pixel, allowing it to complement diverse interior styles. Its design not only provides functional illumination but also adds a poetic and sculptural element to any space.
