GENERAL INFORMATION:

The Tube pendant lamp by LOLA LIGHTING features a single-piece alabaster tube with metal-finished ends, suspended by minimalist, height-adjustable steel wires. Its 360-degree light emission highlights the stone's natural translucency, creating a warm ambiance. Available in two sizes, the Tube lamp's timeless design complements both classic and contemporary interiors. Dimmable technology allows for adjustable light intensity, and an optional color temperature change feature is available upon request.
