

ORION CASCADE PENDANT (SUSPENDED)

A sculptural vertical pendant composed of acrylic spheres wrapped in natural mulberry silk, creating a rhythmic cascade of illuminated organic forms. The combination of light and dark finishes adds visual depth, while the silk texture softly diffuses the integrated LED light for a warm, atmospheric effect.

Orion Cascade Pendant is customizable in sphere size, arrangement, and finish, allowing each composition to be tailored to the interior. Ideal for bedrooms, stairwells, double-height spaces, hotel lobbies, lounges, and statement residential installations.
