GENERAL INFORMATION:

The Las Palmas Floor Lamp by Lola Lighting is a graceful, nature-inspired design that evokes the elegance of palm leaves illuminated by soft, diffused light. Crafted from Opalflex®, the sculptural form brings both texture and fluidity to interiors, making it a striking decorative feature as well as a functional light source.

Available in two sizes — Large (46.46" / 118 cm) with 2 × E26 sockets and Extra Large (60.43" / 153.5 cm) with 3 × E26 sockets—it accommodates 12W bulbs (110–277V), producing warm, ambient lighting. With its IP20 rating and clean white finish, Las Palmas enhances living rooms, lounges, or modern spaces with a sophisticated, organic touch.
