IP20

GENERAL INFORMATION:

The ATTIMO Pendant by Lola Lighting is a refined and expressive lighting fixture, designed to capture the essence of a fleeting moment—"attimo" in Italian. Its fluid, asymmetrical form features curved metal arms that radiate from a central core, creating a sense of movement and suspended energy. Suspended from the ceiling with adjustable steel cables, the ATTIMO pendant allows for flexible installation heights to suit a variety of spaces. ATTIMO is ideal for residential living rooms, dining areas, or upscale commercial interiors seeking a sculptural, artistic statement. Elegant, fluid, and timeless—ATTIMO transforms light into motion.
