

A sculptural table lamp crafted from natural mulberry silk or composite material, shaped into a pure spherical form that highlights the organic character of the surface. The translucent silk version softly diffuses the light, revealing delicate natural fibers and creating a warm, atmospheric glow.

Luna Silk Table brings a soft decorative accent to side tables, consoles, nightstands, and hospitality interiors. Available in two sizes, with an additional composite material option for the larger version.

PROJECT		MATERIAL: NATURAL- MULBERRY SILK / COMPOSITE MATERIALS
