GENERAL INFORMATION:

The Bon Bon Floor Lamp from Lola Lighting brings the whimsical elegance of its pendant and wall counterparts into a slender freestanding form, blending milky-blown glass spheres with a refined brass structure for a sculptural yet modern presence. Rising about 68.9" (175 cm) tall atop a compact 12.99" (33 cm) base, it houses an integrated LED of approximately 12 W that emits around 960 lumens of warm, 3000 K balanced light (CRI 80), gently diffused in all directions.
