IP20

GENERAL INFORMATION:

The Fontaine chandelier by Lola Lighting features a dynamic design inspired by cascading water, with a series of meticulously crafted glass elements arranged to mimic the flow of a fountain. Available in various finishes, including luxurious Murano glass diffusers shaded in fumè, it brings sophistication and elegance to any space. Designed to accommodate LED light sources, the Fontaine chandelier provides efficient and ambient illumination, making it an ideal choice for enhancing interior aesthetics. It is available in a single size that captures the grandeur and fluidity of its artistic design.
