GENERAL INFORMATION:

The Opera Tube by Lola Lighting is a sleek and contemporary lighting fixture designed to deliver focused illumination with a minimalist aesthetic. Ideal for both residential and commercial interiors, this cylindrical pendant or wall-mounted fixture is crafted from high-quality metal and features clean, architectural lines that blend seamlessly with modern design schemes. Equipped with a powerful yet efficient LED light source (1W / 110–277V / 134 lm), the Opera Tube offers precision lighting while maintaining energy efficiency. Available in a variety of finishes and customizable lengths, it also supports multiple dimming options including 0–10V, Casambi, Lutron, Dali, or non-dimmable formats. Whether used individually or in multiples, the Opera Tube offers a refined lighting solution for galleries, hallways, counters, and accent spaces.
