

VERSI (CEILING / WALL)

PROJECT

SPEC TYPE

NOTES

LED

IP20

GENERAL INFORMATION:

The VERSI Wall/Ceiling fixture completes the collection with understated charm and functionality. Mounted individually or in a pair, it is ideal for hallways, living rooms, or bedside lighting. Its softly diffused light creates a warm and inviting ambiance, while its sleek profile allows for flexible installation even in smaller or narrow spaces.

The wall lamp is available in both fixed and articulated arm versions, allowing the user to direct light where it's needed. Whether used as an accent light or a main fixture, the VERSI Wall/Ceiling adds a refined architectural touch to any surface it adorns.
