

BON BON (PENDANT)

PROJECT

SPEC TYPE

NOTES

LED

IP20

GENERAL INFORMATION:

The Bon Bon Pendant Collection by Lola Lighting is a delightfully modern interpretation of Venetian bead craftsmanship, featuring clusters of white blown-glass spheres anchored to refined brass structures that evoke purity, playfulness, and architectural elegance. Available in singular modules or extended linear arrangements, these LED pendant luminaires emit warm, omni-directional light (approximately 480 lm at 6 W for smaller versions, up to 12000lm at 160 W in multi-sphere configurations), with a soft 3000 K color temperature and CRI of 80, all dimmable down to around 3% via 0-10V controls.

MATERIAL:

Blown glass, Copper

VOLTAGE:

110-277V
