

The PETAL SILK Pendant is formed from a rhythmic arrangement of translucent silk panels resembling the petals of a blooming flower. Its natural mulberry silk shade creates a warm glow and a beautifully textured play of light and shadow. Available in two sizes, the fixture can be displayed individually or grouped at different heights. It brings a soft sculptural presence to bedrooms, lounges, dining areas, and boutique hospitality spaces.

PROJECT		MATERIAL: NATURAL MULBERRY SILK
SPEC TYPE		VOLTAGE: 110-277V
