IP20

GENERAL INFORMATION:

The Aria Applique wall light showcases a bold yet graceful design that adds sculptural elegance to any interior. Made from Lentiflex® and Cristalflex®, this fixture features a layered structure that creates stunning light reflections and depth. Designed for versatility with an E12 socket and 110-120V voltage range, it is ideal for residential and hospitality settings. With an IP20 rating and Appliance Class I certification, it is suited for dry indoor spaces. Available in Gold and Transparent finishes, the Aria Applique transforms walls into luminous works of art.
