GENERAL INFORMATION:

The Cage Pendant Collection by Lola Lighting is a series of sculptural pendant lamps that merge bold geometric design with functional LED technology. Constructed from metal and finished in matte black (V0199), these fixtures feature open, cage-like structures that create dynamic light and shadow effects. The collection includes two models: Ø: 31.50" (80 cm) cm with a 12W LED board, and Ø: 43.31" (110 cm) with an 18W LED board. Both models emit a neutral white light at 4000K, providing ample illumination for various interior settings.
