NOTES

GENERAL INFORMATION:

An Italian baroque classic, the abat-jour, is reinterpreted in pop and ironic style: Madame of Love is a floor lamp that reminds the same shape of the abat-jour, but it is bigger than the classic lamp and it has got a contemporary base made in polyethylene. Madame of Love mixes a rich base typical of Baroque style with a white lampshade, made richer by a precious texture. Madame of Love steal the spotline in every kind of indoor, both contract and home. Madame of Love belongs to Design of Love collection, created by Italian designer Graziano Moro e Renato Pigatti.
