

MOON (PENDANT)

PROJECT
SPEC TYPE
NOTES

GENERAL INFORMATION:

The Moon chandelier by LOLA LIGHTING features multiple alabaster spheres, each showcasing the stone's natural veining and translucency. Suspended at varying heights, these spheres create a celestial ambiance, reminiscent of moons floating in space. The chandelier's design allows for customization, with options to adjust the number of spheres and their arrangement to suit different spaces. This elegant piece adds a touch of natural beauty and sophistication to any interior.
