GENERAL INFORMATION:

The LA LOLLO (WALL) is a stylish wall-mounted lighting fixture from LOLA Lighting, designed to enhance interior spaces with its elegant illumination. It operates on a voltage of 110-277V and uses an E12 bulb, making it suitable for a range of electrical setups. With an IP20 rating, it is protected against solid objects greater than 12.5mm, ideal for dry indoor environments. The fixture is available in three sophisticated finish options: Gold, Chromatic, and White, allowing for versatile integration into various design aesthetics
