

CUSPIDE (WALL)

PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The Cuspide Wall Lamp by MM Lampadari is a sophisticated lighting fixture that seamlessly blends geometric precision with artisanal craftsmanship. It features a hand-blown glass diffuser adorned with vertical patterns, creating a silky, textile-like appearance. The diffuser is supported by a high-quality metal structure, available in finishes such as burnished metal, providing a striking contrast to the delicate glass. Designed to accommodate E26 light sources, the Cuspide Wall Lamp offers efficient and ambient illumination, making it an ideal choice for enhancing the elegance of various interior settings.
