

COPPER SINGLE (PENDANT)

CODE:
LL-COP-S-AL

PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The Copper Single pendant lamp by LOLA LIGHTING combines an alabaster shade with a metallic structure, offering a unique lighting design. Designed by Joan Casanyes, this fixture updates old molds used for maritime buoys, repurposing them with alabaster to create a distinctive luminaire. The collection offers various configuration possibilities, including different finishes for the ceiling base, electric cable colors, and structure finishes such as Satin Copper, Black Nickel, or Satin Gold. This adaptability allows the Copper Single pendant to complement any contemporary space.
