GENERAL INFORMATION:

The Mya Suspension Lamp by LOLA LIGHTING is a sophisticated lighting fixture that seamlessly blends Art Deco inspiration with contemporary design elements. It features a metal structure adorned with multiple glass diffusers, creating a complex and striking geometric aesthetic. The sharp-edged metal frame evokes pre-Columbian motifs, adding a unique historical reference to the modern design. Designed by Lenzia Mondin, the Mya Suspension Lamp provides ambient illumination, making it suitable for various interior settings.
