GENERAL INFORMATION:

The UNICA Table Lamp blends refined materials and artistic form into a compact, sculptural lighting piece. Made of borosilicate glass and metal, this lamp features a bronzed elliptical base paired with a transparent spherical shade, creating a warm and modern glow. Finished in glossy black chrome, it is equipped with an E12 socket (max. 25W) and operates on 110-120V. At 9.84" (25 cm) high and 6.30" (16 cm) in diameter, it is ideal for bedside tables, desks, or accent settings. IP20-rated and Class II appliance, designed for indoor environments.
